

SURVIVOR

68th Annual Convention Tuesday, April 5

Breakout Sessions

8:45 a.m.-10:00 a.m.

OPTION 1: Get Cyber-Safe: Tips to Use the Internet & and Digital Tools Safely
Joy McGill, AARP Oklahoma State Director of Community Outreach

For many of us, our lives are increasingly lived online. We connect with family and friends on social media. We work online and play online. We shop online for everything from coffee creamer to cars. Many of us do much - if not all - of our financial transactions online. At the same time, we constantly hear of frauds and scams in which scammers compromise our personal and sensitive information.

Learn how you can stay vigilant and cyber-safe in a digital world. You'll learn what social engineering is and how you may be at risk. You'll also learn about the latest technology scams and what to look for to keep your personal information safe. You'll also learn about romance scams and essential warning signs to protect yourself and your loved ones. McGill will also share what you should do if you believe you have been scammed or if you suspect a scam.

OPTION 2: Connect & Collaborate: Building Relationships with Schools and Teachers
Kim, Littrell, Oklahoma Education Association Teaching & Learning Specialist

The OREA's legacy is protecting and defending the Teacher Retirement System for all of Oklahoma's educators now and in the future. Membership is key to the strength of our organization. Connecting with our active educator colleagues in our local schools is the key to building membership for the future of our organization and growing our own leaders for the association.

Come and enjoy this session with Kim and gain insight on making those connections with your community's local schools to build the membership of your local association and the OREA.

OPTION 3: LEGISLATIVE UPDATE
Presenter: Sabra Tucker,
OREA Executive Director

Get the latest up-to-the-minute happenings at the State Capitol for the OREA 2022 session and the Oklahoma Teacher Retirement System. Review bills currently being considered that may need possible action.
